We encourage Lake Shastina property owners to show your appreciation and help contribute to the safety of our community by volunteering to help manage the site. Two volunteers are needed for each date of operation in order for the Green Waste Site to be open. Any scheduled date that there are not two volunteers, the Green Waste Site will not be open. The Signup Sheet is located at the front counter, so please select the date(s) you wish to volunteer and notify Sylvia Charvez by dropping by the Administration Office or calling 938-3281.

Thank You In Advance For Your Cooperation
