Item 1

LAKE SHASTINA COMMUNITY SERVICES DISTRICT

TO: LSCSD BOARD OF DIRECTORS
MEETING DATE: February 1st, 2023
FROM: Robert Moser, General Manager
SUBJECT: Purchase of new Vehicle

BACKGROUND:

The CSD owns a 1994 GMC dump truck that has needed to be replaced. Considering California's newer diesel emissions, it's time to replace this truck. We looked at several dealerships for a dump truck and they either aren't available or will take months to order. I have found several at Corning Ford. They had the best base price for the truck and came in at \$118,577.30 out the door price. This was \$1,000.00 to \$3,000.00 less than the other dealerships.

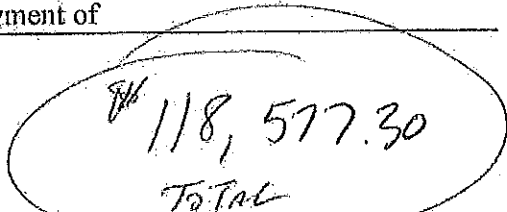

I would also like to ask the board to approve the selling of the 1994 GMC dump truck in a silent auction. This vehicle will only be able to be purchased by a private party.

RECOMMENDATION:

The decision before the board today would be to:

- A. Direct Staff to purchase a new vehicle for the amount of \$118,577.30 and sell the 1994 GMC dump truck.**
